Breann, to whom do you want the WTCS board to submit its annual report? DOA? The legislature? The appropriate legislative committees? The legislature and the governor? Joint Finance?

Also, do you want to specify when the report is due each year?

Thanks,
Peter

Hi Peter,

The Governor is interested in repealing the supplemental aid appropriation 20.292 (1)(fm) and its reference under 38.28 (6).

Section 38.28 (3) should also be repealed.

RP 38-28 (2)(c) + (g) + (6)
+ (3)

I need to check on 38.28 (4) – that funds collegiate transfer instructional costs out of 20.292 (1)(dm) – which we are repealing (and incorporating into the new appropriation).

Hi Breann,

I know you're really busy, so I thought I'd email you the issues with this request and you can get back to me when you're able. Look at s. 38.28 (6). Under par. (b), the board pays each district an amount determined by a formula. A key component of the formula (see subd. 3) is the amount appropriated under s. 20.292 (1) (fm). In this draft, however, we're repealing 20.292 (1) (fm) and paying the aid from a consolidated appropriation. So the amount appropriated won't represent monies earmarked solely for aid under 38.28 (6).

The other issue is 38.28 (3), which concerns driver and chauffeur training aid. Subsection (3) provides that if the amount appropriated in 20.292 (1) (fc) is insufficient to pay the full amount, aid under sub. (2) (c) takes priority and the balance is prorated among the districts. Again, because 20.292 (1) (fc) is being repealed and aid under this subsection will be paid from a consolidated appropriation, this provision won't work.

Please let me know how you'd like to resolve these issues.

Thanks –

Peter
